

## Madison Lions Club Scholarship

2026

- Students must be a graduating Morgan County High School Senior.
- One \$1,500 scholarship will be awarded to each category (some pursuing technical school, military school, and college with an agricultural major).
- Students need to enter a Technical School, College or the Military before September 15, 2026.
- Scholarship/Essay deadline is April 3, 2026.
- Essays will be collected by 3:00 on April 3rd from the Counselor's Office.
- Scholarship paid directly to the institution you designate and must be used for designated school expenses (not eligible for refund).
- All fields must be filled out to be considered unless otherwise discussed with the scholarship chair (listed below).

### Questions that should be addressed in your essay include:

Tell us about yourself and your decision to enter a technical school, military school or college with an agricultural major and why.

What have you done to prepare yourself for this next step? List your classes of concentration to help you in your journey.

What is your goal for your career in your prospective field?

If you were to receive this scholarship, how would it help you and your family?
